Did you know? There are currently more than 4,000 children in foster care in South Carolina and we are in need of 1,500 more foster homes to care for these children. Our neighbors at Epworth Children's Home have answered the call and extended their services to include a Foster Home Program in which they train, license, and provide 24/7 support to foster parents. If you are interested in opening your heart and home to a child in need, or discovering ways you can help foster families, please contact Haley Huff for more information: hhuff@epworthsc.org, 803.828.7724, and visit www.facebook.com/EpworthFosterFamilies. Thank you for answering the call to change a life.
