

To know God, to love and to serve

A Special Message from the Pastor's Office

"Overcoming The Spirit of Fear"

2 Timothy 1:7, Psalm 23:4 (NKJV)

For God has not given us a spirit of fear, but of power and of love and of a sound mind. 2 Timothy 1:7

Yea, though I walk through the valley of the shadow of death, I will fear no evil; For You are with me; Your rod and Your staff, they comfort me. Psalm 23:4

The Coronavirus (COVID-19) has created challenges but also has created ministry opportunities for people of faith. We have been closely monitoring the spread of the virus and we are following the guidelines of state and local officials. **Based on the latest recommendations of these officials, we must significantly reduce the number of people who may congregate at one time; therefore, until further notice, our worship services will be available by live stream only. Beginning Tuesday, March 17, 2020, at 7pm, watch us online at <http://www.bwcar.org>, or on our Facebook page located at Bible Way Church of Atlas Road (<https://www.facebook.com/bwcar1/>).** Until further notice, we have canceled all other events and activities.

I am preparing a special message, "**Overcoming the Spirit of Fear,**" to encourage all believers in this unprecedented time.

Now is a great time for you to do your part to spread the gospel by sharing our ministry information with someone so that they can stay connected to a church family. Here is a link to a contact form that you can complete and also share with others:

We ask that you help us continue the mission, outreach and operations of the church by giving your tithe and offering online. There are several secure ways to give including through our website at www.bwcar.org, and through our mobile texting service. It is safe, convenient, adjustable and repeatable. Simply text **73256** to **BWCAR** and follow the prompts.

We will work to keep you informed about any new developments related to our response to the Coronavirus as we follow every safety precaution to help reduce the spread of this virus. We are available online at www.bwcar.org, Facebook, Instagram and Twitter.

Please join me in praying for our world, the nation, and the families of those directly impacted by the Coronavirus, including medical staff, leaders and all who are working tirelessly to manage this unprecedented virus.

God bless,

Darrell Jackson
